

ABU DHABI AUTONOMOUS RACING LEAGUE SIM SPRINT – YAS MARINA FULL GP 2026

Race 1 – Qualifying Classification – Sporting Bulletin 2026/04 (Rev. 3)

Subject: Race 1 – Official Qualifying Classification & DNQ List (Final)

This bulletin supersedes all previous versions of Sporting Bulletin 2026/04 and constitutes the final qualifying classification for Race 1. Updates from the previous revision: (1) Car #14 Rapson AI is reclassified as Did Not Qualify – the technical issue was determined to be team-side and the time from the subsequent run is not accepted; (2) the benchmark lap time is corrected to 1:42.766, adjusting the 105% threshold to 1:47.904 and the 110% threshold to 1:53.043; and (3) Car #19 Code 19 Racing is classified at 2:22.771 but is ineligible for the Grand Final, being outside the 110% threshold. The sprint race classification and starting order are unaffected.

Eligibility thresholds: 105% = 1:47.904 (Sprint Race). 110% = 1:53.043 (Grand Final). Cars outside 110% are classified for the record but are not eligible to start.

Official Qualifying Classification

Note: Car #19 Code 19 Racing is classified at P8 for the record. With a time of 2:22.771 (outside the 110% threshold of 1:53.043), the car is not eligible to start the Grand Final.

Did Not Qualify (DNQ)

The following cars did not set a valid qualifying time and are not eligible to start Race 1.

Car	Team	Reason
#14	Rapson AI	Did not set a valid qualifying time. Technical issue identified as team-side. Time from subsequent run not accepted. DNQ.
#66	Fly Eagle	No valid lap time. All three laps deleted due to track limits infringements. The full lap must be completed within track limits for a time to be classified.
#53	TGM Grand Prix	Did not connect to server. Hardware/connectivity failure reported. Technical report submitted. Matter referred to Stewards.
#00	MBZUAI	Did not run. Team configured for YMC North circuit; incompatible with Yas Marina Full GP.
